

Wish List

Phunzira has built an education centre in small village in Malawi. One of its primary objectives is to support primary and secondary schools in the area. The centre has a library and laboratory that need to be stocked so we would therefore greatly appreciate it if schools could spare any of the following materials:

Academic books

Any primary school or secondary school level books/exam papers in the following subjects:

- + English Literature/Language
- + Mathematics
- + Science
- + Geography/Agriculture
- + History
- + Religious studies/bible knowledge
- + Any non-academic books written in English are also welcome

Writing materials

- + Notepads/stationary
- + Mathematical equipment (set squares, compasses, protractor)
- + Calculators
- + Board pens/rubbers
- + Chalk (if anyone still uses it!)

Science materials

Materials such as:

- + Microscopes
- + Bunsen burners
- + Fireproof mats
- + Safety goggles/gloves
- + Pipettes
